

# Human interaction is a core business process

**At Oasis People and Culture, we know what organisations are capable of when their people are engaged, connected and collaborating effectively.**

We also know that not every organisation has the skills, resources and tools to make that happen.

That's where we can help...

## OASIS...A REFRESHING APPROACH

### Human interaction is a core business process.

It is a fundamental building block for success in any endeavor. At Oasis, we apply this refreshingly simple approach to everything we do.

### WHAT WE DO...

Oasis People and Culture works with organisations to develop the relational health and maturity that leads to high performance in a constantly changing world.

### WHERE WE ARE AT OUR BEST...

We offer solutions for conflict, dysfunction and underperformance as well as pathways for proactive growth and improvement.

### WHAT DEFINES OUR APPROACH...

With a unique balance, we align the rigorous people systems and processes in your organisation with the people and core human interactions that drive them

## WHAT DO YOU NEED?

### LEADERSHIP

Do you have people who don't take responsibility for the needs of the organisation, themselves, their work or the work of others?

### SKILLS AND CAPABILITY

Do people in your organisation lack the skills needed to productively perform their roles and lack skills to interact effectively with others?

### ENGAGEMENT

Do you struggle to get commitment and potential out of people?

### SYSTEMS

Does your organisation lack disciplines and consistent practices in managing people processes such as performance management?

### PRODUCTIVITY

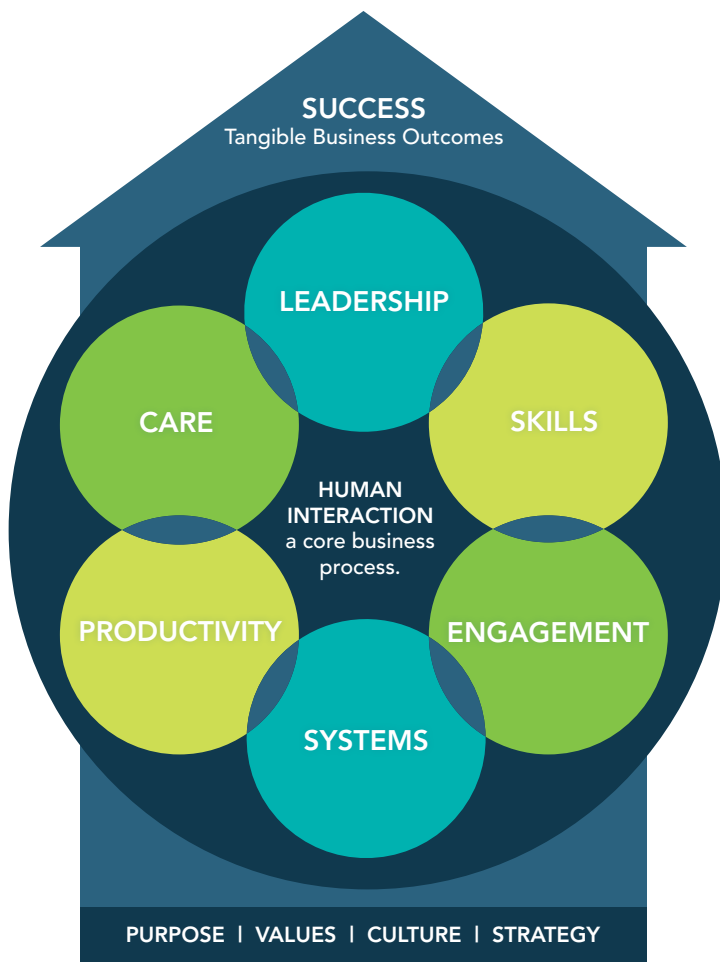

Do you feel overwhelmed by the day to day demands of your business? Have you and your people drifted from having a clear sense of direction or lack productivity and focus to drive results in the right areas?

### CARE

What are you doing to look after the total wellbeing of your people? Do you offer an Employee Assistance Program (EAP)?

### PURPOSE, VALUES AND STRATEGY

Do you and your team know what you are about, where you are going, and how to get there?

Oasis works to develop your people and culture to create a collective understanding for business success

## HOW CAN WE WORK WITH YOU?

### THE OASIS TEAM

Oasis People and Culture is a strong team of people development specialists with a depth and breadth of relevant skills, knowledge and experience. This means we will provide a great match between our people and your organisation’s needs.

OASIS OFFERS AN

# EMPLOYEE ASSISTANCE PROGRAM

Caring for the well-being of your people ensures they are engaged and productive and, it's just the right thing to do.

An Employee Assistance Program (EAP) is an intervention program that enables employees to confidentially access qualified counsellors for to deal with stress, incident debriefing, mediation for work and personal needs.

Having an EAP service is seen as a best practice for Employer of Choice organisations.

Contact us to discuss how you can set this service up for your organisation.

The Oasis approach is supported by a rigorous body of knowledge with tried and tested results.

## ASSURANCE

We will guarantee fulfilment of any value proposition we make or we'll keep working (at no extra cost to you) until we do. Now that's refreshing!

## WHAT NEXT

Imagine a simple one hour face to face conversation about your business that won't cost you a cent. It might be the springboard that launches a refreshing new idea or new direction for your people and culture. It might lead to your people and your organisation prospering!

During this conversation, we can work out if what we do will provide value to your organisation and whether we are a good match in working with one another. We only want to work with organisations committed to valuing their people. Contact us to arrange this conversation.
